EQUAL BUSINESS OPPORTUNITY (EBO) PROGRAM

Not Applicable

This contract will be subject to the requirements of the City of Memphis Ordinance #5384 which establishes the Equal Business Opportunity ("EBO") Program. It is up to the Respondent to ensure that all requirements of this ordinance are met. The Ordinance may be accessed on the City's website at www.memphistn.gov under "Doing Business". The intent of the EBO Program is to increase the participation of locally owned minority and women owned business enterprises ("M/WBE") in the City's purchasing activities. Toward achieving this objective, the M/WBE participation goal for this solicitation is **0%**. The percentage of M/WBE participation is defined as the dollar value of subcontracts awarded to certified minority and/or women business enterprises divided by the total proposed base bid amount.

In awarding orders under this RFP, SAIC will be subject to the EBO requirements of Sections 11.8 (a) and (b) of its prime contract with the City entitled Masters Services Agreement Between City of Memphis, Tennessee and Science Applications International Corporation (the "Prime Contract"), which is located on the City of Memphis' webpage. The goal in Section 11.8 (a) requires a 50% MWBE participation goal for goods and nonprofessional services with 30% designated toward MBE spend and 20% designated toward WBE spend. The goal in Section 11.8 (b) requires a 30% MWBE participation goal for professional services with 15% designated toward MBE spend and 15% designated toward WBE spend. Vendors are strongly urged to provide information regarding their minority-owned or woman-owned status with their responses to this RFP so that SAIC may meet its Prime Contract EBO goals.

Participation Plan

The Participation Plan must include: (1) level and dollar amount of participation your firm anticipates to achieve in the performance of contract resulting from this RFQ; (2) the type of work to be performed by the M/WBE participation; and (3) the names of the M/WBEs the Respondent plans to utilize in the performance of the contract resulting from this RFQ.

Eligible M/WBE Firms

To qualify as an M/WBE firm, per the requirements of City of Memphis Ordinance #5384, a firm must be included on the City's list of certified M/WBE firms. One or a combination of several M/WBEs may be utilized to meet the established goal of **0%**. Requests for verification must be submitted to the City's Contract Compliance Office listed below:

Mary Bright
City of Memphis
Contract Compliance Office

Memphis, TN 38103
Phone: (901) 576-6210
Fax: (901) 576-6560
Email: mary.bright@memphistn.gov

Good Faith Efforts Documentation

If a Respondent proposes an M/WBE percentage less than the established goal, the Respondent must, at the time of the response, submit a Good Faith Efforts statement accompanied by the appropriate documentation justifying its submitted M/WBE percentage. The ability of the Respondent to perform the work with its own work force will not in itself excuse the Respondent from making good faith efforts to meet participation goals. The determination of whether a Respondent has made a good faith effort will be made by the City's Contract Compliance Officer, Director of Finance and the Purchasing Agent, prior to the award of the project.

Progress, interim, or milestone payment shall not constitute final acceptance. SAIC may offset against any payment hereunder any amount owed to SAIC by Supplier.

Supplier may select Automated Clearing House Credits ("ACH funds transfer"), as the means of settlement. With regard to such ACH funds transfer, a payment from SAIC to Supplier shall be considered timely with respect to any payment due date contained herein if the ACH funds transfer is completed no later than four (4) business days after such payment due date. SAIC shall not be in breach of these terms and conditions, or suffer any loss of discount or other penalty, with respect to an ACH funds transfer that was initiated properly and timely by SAIC to the extent its completion is delayed because of failure or delay by the ACH funds transfer system, the operation of an ACH funds transfer system rule which could not be anticipated by SAIC, or rejection by the Suppliers bank.

5.0 ORGANIZATIONAL CONFLICT OF INTEREST

Supplier represents and warrants that its performance of this Agreement does not constitute and will not create an organizational conflict of interest (OCI) under any applicable OCI clause or regulation. If during the course of performance, Supplier becomes aware of any actual or potential organizational conflict of interest caused by its performance of this Agreement, Supplier shall promptly notify SAIC in writing of the nature of such actual or potential organizational conflict of interest.

6.0 TERMINATION for CONVENIENCE

- (a) SAIC shall have the right to terminate this Order, in whole or in part, at any time, without cause, by providing twenty (20) days written notice to Supplier. Upon receiving notice of such termination, Supplier shall

 - (iii) terminate all contracts to the extent that they may relate to portions of the Order that have been terminated; and
 - (iv) protect all property in which SAIC has or may acquire an interest.
- (b) Within twenty (20) days from such termination, Supplier may submit to SAIC its written claim for termination charges in the form prescribed by SAIC, it being understood and agreed that only Supplier's actual cost incurred and no profit shall be allowed for quantities terminated pursuant to this clause. Failure to submit such claim within such time shall constitute a waiver of all claims and a release of all SAIC's liability arising out of such termination.
- (c) SAIC reserves the right to verify claims hereunder and Supplier shall make available to SAIC, upon its request, all relevant books and records for inspection and audit. If Supplier fails to afford SAIC its rights hereunder, Supplier shall be deemed to have relinquished its claim.

- (a) Buyer may, by written notice of default to Supplier, terminate the whole or any part of this Order in any one of the following circumstances:

 - (ii) Supplier fails to perform any of the other provisions of this Order or so fails to make progress as to endanger performance of this Order in accordance with its terms, and in either of the circumstances specified in this subpart (a)(ii) does not cure such failure within a period of ten (10) days (or such longer period as Buyer may authorize in writing) after receipt of notice from the Buyer specifying such failure;
 - (iii) Supplier becomes insolvent or the subject of proceedings under any law relating to bankruptcy or the relief of debtors or admits in writing its inability to pay its debts as they become due; or
 - (iv) Supplier fails to provide Buyer, in writing, within the time specified by Buyer, adequate assurances of performance by Supplier.
- (b) If this Order is so terminated, Buyer may procure or otherwise obtain, upon such terms and in such manner as Buyer may deem appropriate, goods or services similar to those terminated. Supplier, subject to the exceptions set forth below, shall be liable to Buyer for any excess costs of such similar goods or services.
- (c) Supplier shall transfer title and deliver to Buyer, in the manner and to the extent requested in writing by Buyer at or after termination, such complete or partially completed articles, property, materials, parts, tools, dies, patterns, jigs, fixtures, plans, drawings, information and contract rights as Supplier has produced or acquired for the performance of the terminated part of this Order and Buyer will pay Supplier the contract price for completed articles delivered to and accepted by Buyer and the fair value of the other property of Supplier so requested and delivered.
- (d) Supplier shall continue performance of this Order to the extent not terminated. Buyer shall have no obligations to Supplier in respect to the terminated part of this Order except as herein provided. Buyer's rights as set forth herein shall be in addition to any other rights in case of Supplier's default.
- (e) Supplier shall not be liable for damages resulting from default due to causes beyond Supplier's control and without Supplier's fault or negligence, provided, however, that if Supplier's default is caused by the default of a subcontractor or supplier at any tier, such default must arise out of causes beyond the control of both Supplier and subcontractor or supplier, and without the fault or negligence of either of them and, provided further, the goods or services to be furnished by the subcontractor or supplier were not obtainable from other sources.

PURCHASE ORDER Standard Terms and Conditions (Rev. City of Memphis 01/01/12)

This is a Purchase Order between Science Applications International Corporation, hereafter referred to as "Buyer," and Seller identified on the face of this Purchase Order, hereafter referred to as "Seller." This purchase order is referred to as "Order."

SECTION 1: ACCEPTANCE AND MODIFICATION OF TERMS

Acceptance of this Order by Seller may be made by signing the acknowledgment copy hereof or by partial performance hereunder, and any such acceptance shall constitute an unqualified agreement to all terms and conditions set forth herein unless otherwise modified in writing by the parties. Any additions, deletions or differences in the terms proposed by Seller are objected to and hereby rejected, unless Buyer agrees otherwise in writing. No additional or different terms and conditions proposed by the Seller in accepting this Order shall be binding upon Buyer unless accepted in writing by Buyer and no other addition, alteration or modification to, and no waiver of any of the provisions herein contained shall be valid unless made in writing and executed by Buyer and Seller. Seller shall perform in accordance with the Description/Quantity schedule set forth in this Order and all attachments thereto.

SECTION 2: GENERAL RELATIONSHIP

The Seller is not an employee of SAIC for any purpose whatsoever. Seller agrees that in all matters relating to this Order it shall be acting as an independent contractor and shall assume and pay all liabilities and perform all obligations imposed with respect to the performance of this Order. Seller shall have no right, power or authority to create any obligation, expressed or implied, on behalf of Buyer and/or Buyer's customers and shall have no authority to represent Buyer as an agent.

The Seller shall be solely responsible for the withholding and remittance or payment of any tax or similar levy imposed under the federal revenue statutes and social insurance legislation and the laws of any state or political subdivision with respect to wages or income paid to or on behalf of the Seller or Seller's employees, unemployment, disability insurance and other payroll taxes with respect to Seller or Seller's employees, including contributions from them when and as required by law. Neither Seller nor its employees shall be deemed eligible to participate in any of the benefit plans or programs that SAIC maintains for its employees

SECTION 3: SUBCONTRACTS AND ASSIGNMENTS

This Subcontract and task orders may not be assigned, novated or otherwise transferred by operation of law or otherwise by either party without the other parties' prior written consent, which consent shall not be unreasonably withheld, provided, however, that SAIC may deny consent where it is in SAIC's best interest to do so. Notwithstanding the foregoing, Seller hereby consents to SAIC's assignment of this Agreement and any task orders hereunder to the City of Memphis, or any third party that succeeds SAIC in providing services to the City of Memphis.

Additionally, Seller agrees to obtain SAIC's approval before subcontracting this Subcontract or any order or any portion thereof; this limitation shall also apply to the purchase of standard commercial goods or raw materials.

SECTION 4: RESPONSIBILITY for PROPERTY

In the case of any tools, dies, jigs, fixtures, patterns, equipment, facilities or other property (hereafter "property") of Buyer and/or Buyer's customer, which may be in the possession, or control of Seller in connection with this Order, Seller shall use such property only in performance of and as specifically authorized by this Order. Seller should take appropriate measures including clearly marking, maintaining an inventory and segregating Buyer's property to protect Buyer's rights and interests in any property provided by Buyer to Seller. Such property shall be returned to Buyer in the condition in which it was received by Seller, except for ordinary wear and tear and except

to the extent that such property has been incorporated into goods delivered hereunder or has been consumed in the production of such goods. Risk of loss with respect to all such property shall be the responsibility of Seller. Seller shall indemnify, defend and hold harmless Buyer from any loss or damage to such property, which is caused by, or results from any act or omission on the part of Seller or its agents, employees or subcontractors. If Seller acquires or manufactures any property in connection with this Order and charges Buyer therefore, Buyer may, at its option upon completion or termination of this Order, elect to take title to such property and, upon receiving notice of such election; Seller shall deliver such property to Buyer.

SECTION 5: RESPONSIBILITY FOR GOODS; RISK OF LOSS

Seller shall bear the risk of loss of, or damage to, the goods covered by this Order, until delivered to the delivery location designated on the face of this Order and accepted by Buyer, including any defective, non-conforming or rejected goods.

SECTION 6: INTERCHANGEABILITY

All items furnished pursuant to this Order under the part number specified shall be fully interchangeable with and equal in function and quality to items heretofore furnished under the same part number.

SECTION 7: PACKAGING AND SHIPPING

Any goods purchased hereunder must be suitably packed and prepared for shipment to secure the lowest transportation rates or appropriately packed to comply with any specific transportation specifications of Buyer, and in all cases, to comply with carrier's regulations. All charges for packing, crating and transportation are included in the price for the goods set forth herein and will be paid by Seller. A Packing List shall accompany each box or package shipment showing the order number specified hereon as well as the item number and a description of the goods. In the event that no such Packing List accompanies any shipment, the count, weight or other measure of Buyer shall be final and conclusive. Buyer shall not be obligated to accept any shipments in excess of the ordered quantity and any excess or advance shipments may be returned to Seller at Seller's expense.

SECTION 8: CHANGES AND SUSPENSION

Buyer may, by written notice to Seller at any time, make changes within the general scope of this Order in any one or more of the following: (a) drawings, designs or specifications; (b) quantity; (c) time or place of delivery; (d) method of shipment or packing; and (e) the quantity of Buyer furnished property. Buyer may, for any reason, direct Seller to suspend, in whole or in part, delivery of goods or performance of services hereunder for such period of time as may be determined by Buyer in its sole discretion. If any such change or suspension causes a material increase or decrease in the cost of, or the time required for the performance of any part of the work under this Order, an equitable adjustment shall be made in the Order price or delivery schedule, or both, provided Seller shall have notified Buyer in writing of any claim for such adjustment within twenty (20) days from the date of notification of the change or suspension from Buyer. No such adjustment or any other modification of the terms of this Order will be allowed unless authorized by Buyer by means of a written modification to this Order. Seller shall proceed with the work as changed without interruption and without awaiting settlement of any such claim.

SECTION 9: NOTICE OF DELAYS

Whenever the Seller has knowledge that any actual or potential issue, event, or circumstance is delaying or threatens to delay the timely performance of this Order, the Seller shall immediately give written notice thereof, including all relevant information with respect thereto, to the Buyer.

SECTION 10: COMPLIANCE WITH LAWS

Seller shall comply with the applicable provisions of any federal, state or local law or ordinance and all orders, rules and regulations issued there under.

SECTION 11: DELIVERY

Time is of the essence in this Order. The date specified for delivery or performance is the required delivery date at Buyer's plant or other specified location (FOB Destination), unless otherwise specifically noted herein. Buyer reserves the right to refuse any goods or services and to cancel all or any part hereof if Seller fails to deliver all or any part of any goods or perform all or any part of any services in accordance with the terms specified herein. If Seller's deliveries will not meet agreed schedules, Buyer may require Seller to ship via a more rapid route or carrier in order to expedite such delivery and any difference in cost caused by such change shall be paid by Seller. Delivery shall not be deemed to be complete until goods have been actually received and accepted by Buyer, notwithstanding delivery to any carrier, or until orders for services have been performed, received and accepted.

SECTION 12: INSPECTION

All goods supplied and services performed shall be subject to inspection and test by Buyer, its agents and its customers at all reasonable times and places, whether during or after manufacture as to goods, or performance as to services, and notwithstanding the terms of delivery or payment or, as to goods, that title has not yet passed to Buyer or its customers. In the event goods or services are not in accordance with the specifications and instructions of Buyer, Buyer may require prompt correction, repair, replacement or re-performance thereof at Buyer's option and Seller's sole expense. If Seller is unable to accomplish the foregoing, then Buyer may procure such goods or services from another source and charge to Seller's account all costs, expenses and damages associated therewith. After Seller is notified of the foregoing defects or non-conformances, all risk of loss with respect to such goods shall be the responsibility of Seller and Seller shall pay all packing and shipping charges in connection with such defective or non-conforming goods. Buyer's approval of designs furnished by Seller shall not relieve Seller of its obligations hereunder.

SECTION 13: ACCEPTANCE

Acceptance of any part of the Order shall not bind Buyer to accept future shipments or performance of services nor deprive it of the right to return goods already accepted and shall not be deemed to be a waiver of Buyer's right to cancel or return all or any part of the goods because of failure to conform to the Order or by reason of defects, whether latent or patent, or other breach of warranty, or to make any claim for damages, including manufacturing cost or loss of profits, injury to reputation or other special, consequential and incidental damages.

SECTION 14: PRICE; PAYMENT

Prices may not exceed the prices set forth herein. Invoices shall be submitted in duplicate and shall contain the following information: order number, item number, description of articles, sizes, quantities, unit prices and extended totals. Invoices submitted hereunder will be paid Net 45 Days after receipt of proper invoice or acceptance of delivered items by the Buyer, whichever occurs later. Before payment, Buyer may make any adjustments to Seller's invoices to accommodate shortages, late delivery, rejections, or other failure to comply with the requirements of this Order. Cash discounts will be taken from the date of final acceptance of delivered items, or the date of acceptable invoice, whichever is later. Payment shall not constitute final acceptance. Buyer may offset against any payment hereunder any amount owed to Buyer by Seller. Note: "Seller may select Automated Clearing House Credits ("ACH funds transfer"), as the means of settlement. With regard to such ACH funds transfer, a payment from Buyer to Seller shall be considered timely with respect to any payment due to date contained herein if the ACH funds transfer is completed no later than four (4) business days after such payment due date. Buyer shall not be in breach of these terms and conditions, or suffer any loss of discount or other penalty, with respect to an ACH funds transfer that was initiated properly and timely by Buyer to the extent its completion is delayed because of failure or delay by the ACH funds transfer system, the operation of an ACH funds transfer system rule which could not be anticipated by Buyer, or rejection by the Seller's bank."

SECTION 15: WARRANTY

Seller represents and warrants that: (1) all goods delivered pursuant hereto will be new, unless otherwise specified, and free from defects in material and workmanship; (2) all goods will conform to applicable specifications, drawings, and standards of quality and performance, and all items will be free from defects in design and suitable for their intended purpose; (3) the goods covered by this Order are fit and safe for consumer use, if so intended; and (4) that any services performed hereunder shall be performed in accordance with the specifications and instructions of Buyer, and with that degree of skill and judgment exercised by recognized professional firms performing services of a similar nature and consistent with best practices in the industry. All representations and warranties of Seller shall run to Buyer and Buyer's customers. Remedies under this warranty shall include, without limitation, at Buyer's option and at Seller's sole expense, prompt repair, replacement, re-performance, or reimbursement of the purchase price. The foregoing warranties shall survive any delivery, inspection, acceptance or payment by Buyer.

SECTION 16: COUNTERFEIT PARTS

For purposes of this clause, Goods are any tangible items delivered under this Order, including without limitation the lowest level of separately identifiable items, such as parts, articles, components, and assemblies. "Counterfeit Goods" are Goods that are or contain items misrepresented as having been designed, produced, and/or sold by an authorized manufacturer and seller, including without limitation unauthorized copies, replicas, or substitutes. The term also includes authorized Goods that have reached a design life limit or have been damaged beyond possible repair, but are altered and misrepresented as acceptable.

Seller agrees and shall ensure that Counterfeit Goods are not delivered to Buyer. Goods delivered to Buyer or incorporated into other Goods and delivered to Buyer shall be new and shall be procured directly from the Original Component Manufacturer (OCM)/Original Equipment Manufacturer (OEM), or through an OCM/OEM authorized distributor chain. Work shall not be acquired from independent distributors or brokers unless approved in advance in writing by Buyer. When requested by Buyer, Seller shall provide OCM/OEM documentation that authenticates traceability of the affected items to the applicable OCM/OEM.

In the event that Work delivered under this Agreement constitutes or includes Counterfeit Goods, Seller shall, at its expense, promptly replace such Counterfeit Goods with authentic Goods conforming to the requirements of this Agreement. Notwithstanding any other provision in this Agreement, Seller shall be liable for all costs relating to the removal and replacement of Counterfeit Goods, including without limitation Buyer's costs of removing Counterfeit Goods, of reinserting replacement Goods, and of any testing necessitated by the reinstallation of Goods after Counterfeit Goods have been exchanged. Seller shall include equivalent provisions in lower tier subcontracts for the delivery of items that will be included in or furnished as Goods to Buyer.

SECTION 17: TERMINATION FOR CONVENIENCE

- (b) SAIC shall have the right to terminate this Order, in whole or in part, at any time, without cause, by providing twenty (20) days written notice to Seller. Upon receiving notice of such termination, Seller shall
 - (v) stop all work on this Order on the date and to the extent specified;
 - (vi) place no further contracts hereunder except as may be necessary for completing such portions of the Order as have not been terminated;
 - (vii) terminate all contracts to the extent that they may relate to portions of the Order that have been terminated; and
 - (viii) protect all property in which SAIC has or may acquire an interest.
- (d) Within twenty (20) days from such termination, Seller may submit to SAIC its written claim for termination charges in the form prescribed by SAIC, it being understood and agreed that only Seller's actual cost incurred and no profit shall be allowed for quantities terminated pursuant to this clause. Failure to submit such claim within such time shall constitute a waiver of all claims and a release of all SAIC's liability arising out of such termination.
- (e) SAIC reserves the right to verify claims hereunder and Seller shall make available to SAIC, upon its request, all relevant books and records for inspection and audit. If Seller fails to afford SAIC its rights hereunder, Seller shall be deemed to have relinquished its claim.

SECTION 18: TERMINATION for DEFAULT

- (b) Buyer may, by written notice of default to Seller, terminate the whole or any part of this Order in any one of the following circumstances:
 - (i) Seller fails to make delivery of the goods or to perform the services within the time specified herein or any extension thereof; or

- (b) If this Order is so terminated, Buyer may procure or otherwise obtain, upon such terms and in such manner as Buyer may deem appropriate, goods or services similar to those terminated. Seller, subject to the exceptions set forth below, shall be liable to Buyer for any excess costs of such similar goods or services.
- (c) Seller shall transfer title and deliver to Buyer, in the manner and to the extent requested in writing by Buyer at or after termination, such complete or partially completed articles, property, materials, parts, tools, dies, patterns, jigs, fixtures, plans, drawings, information and contract rights as Seller has produced or acquired for the performance of the terminated part of this Order and Buyer will pay Seller the contract price for completed articles delivered to and accepted by Buyer and the fair value of the other property of Seller so requested and delivered.
- (d) Seller shall continue performance of this Order to the extent not terminated. Buyer shall have no obligations to Seller in respect to the terminated part of this Order except as herein provided. Buyer's rights as set forth herein shall be in addition to any other rights in case of Seller's default.
- (e) Seller shall not be liable for damages resulting from default due to causes beyond Seller's control and without Seller's fault or negligence, provided, however, that if Seller's default is caused by the default of a

subcontractor or supplier at any tier, such default must arise out of causes beyond the control of both Seller and subcontractor or supplier, and without the fault or negligence of either of them and, provided further, the goods or services to be furnished by the subcontractor or supplier were not obtainable from other sources.
